

# PROTECT YOUR SKIN

Excessive sun exposure is one of the main causes of skin cancer.\*

\* Report of the Clinical Register of Skin Melanoma at the Cancer Registry of the Republic of Slovenia for the period 2017-2019

## MELANOMA AWARENESS MONTH

LOCATION	DATE
Ljubljana - City Park	May 21
Nova Gorica - Supernova	May 21
Maribor - Europark	May 28
Celje - City Center	May 28
Murska Sobota - BTC City	June 4
Kranj - Supernova	June 4
Slovenj Gradec - Supernova	June 11
Portorož Beach	June 18

Use skin protection products with appropriate factors.

Avoid the sun at midday. The shade is your friend.

Protect yourself with sunglasses, clothing and a hat.

Hydrate yourself inside and out, and take care of your diet.
