16:00-16:30	Consultation Chamber	BC providers and all participants
16:30-	Time for working on BC[1]	All participants

Time	Wednesday, September 29	Speaker/Participant
All day	Time for working on BC[1]	All participants

---

[1] All participants will have an opportunity to discover and design innovative business solutions for actual challenges in pharmaceutical industry as a team. Please note that even though the BC is designed in a "hackathon" format, the scope of work needed to solve the BC does not require 24/7 work on the case. Each team will need to arrange when they will be working on BC by themselves.
