

The Novartis Commitment to Patients and Caregivers

Only by working together and delivering on the four pillars of our Commitment, can we improve outcomes for patients and change the practice of medicine

40+

PATIENT ORGANIZATIONS
representing

200m

PATIENTS
contributed to its development

110 000

NOVARTIS ASSOCIATES
own it as an aspiration to embed the perspective of patients and caregivers systematically in our decision-making

Our Commitment is based on four pillars

Respecting and understanding the patient community perspective

Conducting responsible clinical trials

Expanding access to our medicines

Recognizing the importance of transparency and reporting
